

INDEPENDENT AUDITORS' REPORT

To

The Designated Partner

TNA Solutions LLP

Report on the audit of the financial statements

Opinion

We have audited the accompanying financial statements of TNA Solutions LLP, which comprise the balance sheet as at March 31, 2022, and the Statement of Profit and Loss for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the applicable laws and regulations to a Limited Liability Partnership in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Firm as at March 31, 2022, and its profit for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the standards on auditing issued by the Institute of Chartered Accountants of India. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Firm in accordance with the code of ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

As more specifically explained in Notes to the financial statements, the Firm has made a detailed assessment of its liquidity position for the next year and the recoverability and carrying value of its assets comprising property, plant and equipment, investments, inventory and trade receivables. Based on current indicators of future economic conditions, the Firm expects to recover the carrying amount of these assets. The Firm continues to evaluate them as highly probable considering the orders in hand. The situation is changing rapidly giving rise to inherent uncertainty around the extent and timing of the potential future impact of the COVID-19 pandemic which may be different from that estimated as at the date of approval of the financial results. The Firm will continue to closely monitor any material changes arising of future economic conditions and impact on its business.

Our opinion is not modified in respect of this matter.

Management's responsibility for the financial statements

The Firm's partners are responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Firm in accordance with the accounting principles generally accepted in India, including the accounting standards specified by ICAI. This responsibility also includes maintenance of adequate accounting records for safeguarding of the assets of the Firm and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management (representing the Firm's partners) is responsible for assessing the Firm's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Firm or to cease operations, or has no realistic alternative but to do so.

The designated partners are also responsible for overseeing the Firm's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Firm's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are

inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Firm to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

TNA SOLUTIONS LLP
NOTES TO THE FINANCIAL STATEMENTS

1 SIGNIFICANT ACCOUNTING POLICIES

1.01 System of Accounting:

These financial statements have been prepared in accordance with the generally accepted accounting principles in India under mercantile System of Accounting. These financial statements have been prepared to comply in all material aspects with the Rule 24 of the Limited Liability Partnership Rules, 2009

All assets and liabilities have been classified as current or non-current as per the firm's normal operating cycle. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the firm has ascertained its operating cycle as 12 months for the purpose of current – non current classification of assets and liabilities.

1.02 Use of Estimates:

The Preparation of the financial statements in conformity with Indian GAAP requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of financial statements and reported amounts of revenue and expenses during the reported period. Such estimates are on a reasonable and prudent basis taking into account all available information; actual results could differ from estimates. Differences are recognized in the year in which the results are ascertained. Differences on account of revision of estimates, actual outcome and existing estimates are recognized prospectively once such results are known.

1.03 Fixed Assets:

The fixed assets are stated at cost less accumulated depreciation and impairment, if any. Cost comprises of all expenses incurred in bringing the assets to its present location including installation and commissioning expenses.

1.04 Depreciation / Amortisation:

Depreciation on tangible fixed assets is provided in accordance with the provision of Section 32 of the Income Tax Act, 1961. Depreciation on assets purchased / sold during the year is calculated as per the methodology stated under Income Tax Act, 1961. After impairment, depreciation is provided on the revised carrying amounts of assets over its remaining useful life. Since there is no intangible fixed assets in the firm, there is no amortization for the period recognised.

1.05 Inventory:

Inventory are valued at cost price as certified by the firm. Cost excludes any transportation or overheads incurred on movement.

1.06 Cash And Cash Equivalents

Cash and cash equivalents comprise cash at bank, cash in hand, demand deposits with banks and other short-term investments with an original maturity of three months or less.

1.07 Revenue recognition:

Income from Operations is recognized on accrual basis on agreements / arrangements with the concerned parties and when it is certain that the ultimate collection will be made. The firm derives its revenue primarily from consultancy, commissioning, trading and job-work processing.

1.08 Taxes on Income:

Provision for Current Tax is made on the basis of the taxable profit computed for the current accounting period (Reporting Period) in accordance with the Income Tax Act, 1961.

1.09 Dues to Small Scale Industries:

Based on the information available with the firm, there are no suppliers registered as micro, small and medium enterprises under the "The Micro Small and Medium Development Act, 2006" as at 31st March 2021 and hence disclosure, if any relating to amount unpaid at year end together with interest paid/payable as required under the said Act has not been given.

TNA SOLUTIONS LLP
NOTES TO THE FINANCIAL STATEMENTS

1.10 Foreign Currencies Transaction :

Foreign Currency Transactions are recorded based on the exchange rate prevailing on the date of receipt of foreign currency and therefore no gain and loss arises.

1.11 Provisions, Contingent Liabilities and Contingent Assets:

- (i) A Provision is recognised when the firm has a present obligation as a result of the past event and it is probable that an outflow of resources would be required to settle the obligation and in respect of which reliable estimate can be made. Provisions are reviewed at each balance sheet date and adjusted to effect the current best estimation.
- (ii) Contingent Assets and liabilities are neither recognised nor disclosed.

1.12 Other Notes

- (i) All Debit and Credit Balances as appearing in the Balance Sheet are subject to confirmation from the respective parties.
- (ii) Opening and Closing Stock is taken to be correct, as verified, valued and certified by the firm.
- (iii) The Audit has been completed with the help of available vouchers, cash memos, invoices, supporting etc. and other information contained in the cashbook, ledger, journal and information and explanation given by the party.
- (iv) In the opinion of the partners, the current assets have a value on realisation in the ordinary course of business at least equal to the value at which they are stated in Balance Sheet.
- (v) The concern has provided for all possible liabilities and expenses, which can be determined to certainty of accuracy. The concept of going concern, materiality, and consistency also followed by the assessee in maintenance of Account.
- (vi) Books are maintained on computer system.
